To

The Firms dealing in Groundnut Oil.

Enquiry No. 1930.

GROUNDNUT OIL.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

(1) The quantity of oil required is 20 tons and the quality of the oil should be first class, colourless, quite pure and free from sediment and should also be quite suitable for soap-making.

(2) The oil will be required to be delivered in two equal monthly instalments, the first supply being made by the 15th September 1936.

(3) Two sets of sealed samples of oil should accompany the tender. The Stores Purchase Committee reserve the right to draw samples from the supply and have them tested at our Government Industrial and Testing Laboratory in order to check whether the supply is according to the sample and of the quality required. The cost of such check test at Rs. 15 per test should be borne by the suppliers.

(4) Supplies made otherwise than in accordance with the accepted quality will be rejected at the Contractor's risk and they will be required to replace the rejected supplies by correct material conforming to the approved sample.

(5) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotation for "Groundnut Oil" with the above Enquiry Number".

This enquiry will be closed on the 7th September 1936.

No. S. P. C. 3843-57, dated 28th—29th August 1936.

To

The Firms dealing in Laboratory Materials.
